Storm Light Photography

January 5th. Guest speaker Mark Rasmussen will be presenting his program "Storm Light Photography Guide". Mark has presented for us in the past and is always eager to pass on his photographic knowledge.

Competitions

January 19th. This meeting will be devoted to showing Open Competition #3 and Photojournalism Competition #1 that was originally scheduled to be shown on December 1st.

Digital Post Capture Techniques

January 26th. Club member Tim Sheets will discuss using Photoshop's high pass filter to sharpen our digital images.

The Great Depression Photographers

February 2nd. Guest speaker Ray Keithley will be presenting "Lessons From The Great Depression Photographers". One of the best ways to learn what good photography is about is to view other great photographers work. Ray's program will provide us that opportunity.

President's Special Competition

April 6th. is the turn in deadline for the President's Special competition. The topic this year is "Speed". Are you out shooting speed?

George Lepp is Coming

March 20, 2010

In the age of digital, photography is still the same but everything's different. Great photography is no longer just about taking well-composed and properly exposed pictures. In his latest program, George will explore some of the most exciting new equipment, capture techniques and software programs that are re-defining the field by surpassing the limits previously set by film.
